NARRATIVE

On June 14, 2022 the Burke County Sheriff's Office along with Burke County EMA responded to 113 Deer Run Road Hephzibah, Georgia concerning the possible drowning of a child. Upon our arrival we learned that a 4 year old male child Israel Scott had been pulled from the pool and was not responsive. A nurse on scene and the swim instructor immediately began CPR and continued until EMA arrived and took over. Israel was transported by ambulance to the Burke Medical Center for further care, and was later transported to the Children's Medical Center in Augusta where he passed away. The autopsy concluded that Israel's death was a result of accident drowning and that no foul play was suspected or indicated in his death.
